

CELEBRATING SPRING

Good Morning,

Isn't it lovely to see the first blooms of spring? It certainly is an upbeat, pivotal time of year when big ideas are embraced and cultivated. Here at B.I.G. we will be rolling out a new model to experience our events later this spring. Watch for it!

As for April, Westport held their pod meeting early and Ridgefield will hold theirs after spring break. We will celebrate the authors of B.I.G.! The women who wrote a book and boosted their business. How did they do it? How is their book boosting their brand or their business?

Lisa Tancredi is hosting another brunch this month too! This is an event that you don't want to miss...

We look forward to seeing you at the end of the month.

Cordially,

Director, B.I.G. Connecticut
