
THE ENERGY OF OCTOBER

Good Afternoon,

With autumn in full swing and the colors beginning to pop, the activity and energy surrounding us is abundant!

Savor the rush... the new experiences and possibilities that emerge.

At B.I.G., we are hosting one of the most significant power panels ever! We bring self made female entrepreneurs who have built their respective businesses into multi location powerhouses!

How did they do it? Empowering their female dominated teams is one way. Register for Friday's pod meeting to be inspired and gain takeaways to grow your businesses and yourself personally. This meeting is an ideal opportunity to gain fresh perspectives and proven insights!

Cordially,

Director, B.I.G. Connecticut
